

BUCHANAN ANGUS RANCH

BULL SALE

B A

— SUNDAY, FEBRUARY 23, 2025 —
Noon at the Klamath County Fairgrounds, Klamath Falls, OR

Living an ANGUS *Legacy*

Welcome

Our Bulls spent the summer on native pasture and their mother's milk. We don't creep feed our calves so that we get an accurate picture of their genetic efficiency.

After a wet spring and decent summer pasture, our bulls were weaned and put on a steep, rocky, Juniper covered hillside to be conditioned for the 2025 breeding season. They are developed on a high roughage ration through the winter, while "On the Hill." We monitor their progress, which was surprisingly good, considering all of the rain that we had in November and December. Before the sale they will be vaccinated, ultrasounded for Carcass traits and Semen tested. They have already been DNA tested and tested negative for BVD-PI. These Bulls are athletes, not overfed feedlot bulls. The hillside gives them a better place to be in bad weather, as well as making them get exercise and harden up. **THEY ARE FIT AS RANGE BULLS AND ARE READY TO WORK, NOW!**

While we carefully select the A.I. sires to breed our cows to, the thing that sets us apart from the rest, is our powerful cowherd. It has been built by stacking many generations of the best A.I. sires in the Angus breed and selecting the most productive, problem-free females, to build our herd. This allows us to provide our customers with Genetic Packages that will sire reasonable birth weights, explosive early growth, maternal traits and end product value.

The sale will be held, again, at the Klamath County Fairgrounds, with our invited friends and customers who have purchased females or embryos from our program. This will be an opportunity for progressive cattlemen to buy some of the best Angus genetics available. Mark your calendar and bring your family for a fun weekend and a chance to buy genetics for your herd from a proven program that is committed to the Betterment of the Angus Breed and the Beef Industry.

The 2025 Sale will once again feature a select group of show and donor prospect yearling heifers.

We always look forward to seeing you,
Robert, Kathleen and Family

ACCOMMODATIONS

Best Western Plus 541-882-9665
2627 South 6th Street, Klamath Falls, OR

TERMS AND CONDITIONS

Sale is conducted under the standard terms and conditions of the American Angus Association.

FREE DELIVERY

Buchanan Angus Ranch offers free delivery within 500 miles on total purchases of \$4,000 or more. Contact other consignors for their delivery arrangements.

INSPECTION OF BULLS

Bulls will be available for viewing at their respective ranches through Friday, February 21. They will be available for viewing from noon on Saturday, February 22, at the Klamath County Fairgrounds.

Buchanan Angus Ranch bulls have a freeze brand ID on their left hip.

HEALTH AND INFORMATION

The bulls, if they are of age, will be ultrasounded for carcass traits. Information will be available on sale day. If you need this information prior to the sale, call Buchanan Angus at 541-281-3557. The bulls will also be tested Negative for BVD PI, DNA tested, semen tested and vaccinated. All bulls will have appropriate health papers for immediate shipment, unless the state requires additional tests. In this case, these will be done prior to shipment.

There is a first year breeding season guarantee on all of the bulls in this sale.

All consignors will retain 1/3 semen interest on all of their bulls. Buyers will have full possession and salvage value.

FEEDING OF THE BULLS

Continued feeding of Buchanan Angus Ranch bulls until turn out time is available, at our expense and the BUYER'S RISK. Arrangements should be made with the individual consignors for this service prior to the sale.

HOSPITALITY

Saturday, February 22, at 6:00 pm at the Blue Building, there will be a hosted cocktail hour, followed by a Tri-Tip dinner sponsored by the consignors and Artois Feed. Sunday, prior to the sale at 10:00 am, a brunch with Kathleen's cinnamon rolls is sponsored by On 140 Feed and the consignors.

SALE BOOK ORDER

Bulls are lotted in age order from oldest to youngest.

CRAFTSMAN has built an impressive sales record. His progeny are powerfully made, have expressive muscle, are long bodied with explosive growth and tremendous balance and correctness. One of the most unique and adaptable maternal bulls in the breed when you consider he ranks in the top 20% of the breed for Heifer Pregnancy, Milk, Docility, Claw and Angle, PAP, and Hair Shedding. He ranks in the top 1% of the population for \$Maternal, 5% for \$Weaning and top 10% for \$Combined.

Emerging as a sire for delivering strong udder quality, outstanding maternal design and reliable calving ease. His daughters are the real deal - they are big bodied, slick haired and easy fleshing with exceptional udder quality. Top-end \$Maternal and \$Energy indexes backed by strong Docility, Foot Quality and Hair Shedding EPDs combined with reduced Mature Size and Intake data. His sons across the country have been doing the same.

With a huge spread from Birth Weight EPD to Yearling Weight EPD, this young sire with two calf crops on the ground is the cowman's kind with breed-leading genetics for \$Maternal value index and \$Weaned calf value index to make him a great candidate to produce heifer bulls and an even greater candidate to sire exceptional and productive replacement heifers that touch all the bases.

A Note From the Sale Manager

Welcome to the Annual Buchanan Angus Ranch Bull and Female Sale with some special guest consignors and customers of the Buchanan program. I am again very excited to work with Bob and Kathleen again with one of the longstanding and iconic bulls sales and programs in the Northwest. I have had the opportunity to work with Bob, Kathleen and Bill for over 30 years and have admired the evolution of their high quality cow herd that is as functional as you will find.

They have bred a hard-working and productive sets of cows that rival any in the region. In the last three decades I have witnessed the maternal value, udder quality, productivity and performance of their operation and the tremendous influence they have had on the commercial programs utilizing their genetics. But it does not stop there. With the use of powerful and proven AI sires, the added growth, carcass quality and numeric value has continued to be pushed as well without sacrificing the modern Angus female that has kept them at the forefront for generations. It has continued through today and will into the future based on the proper management and outstanding breeding decisions that the Buchanan family continue to make year after year. But, better than the quality of their cattle are the people behind them. I hope at some point everyone has met and talked with Bob and Kathleen. There aren't more honest, humble and straight-shooting people in the business. The many repeat customers as well as the new ones that come to Klamath Falls the fourth Sunday in February every year leave happy and satisfied.

Please do not hesitate to call me if I can be of any assistance. We will again be broadcasting the sale on Liveauctions.TV. If you can not make the sale in person, please get online and buy with confidence. I look forward to seeing you sale day.

Rooster is out of an EXCEPTIONAL cow that has put it all together in terms of longevity, efficiency, and productivity. Look for him to create the kind of functional daughters that drive profitability in your herd for years to come.

First and foremost, I would like to thank Bob and Kathleen for allowing me to be a part of their amazing sale once again. I would also like to thank all my previous and repeat buyers for their support and confidence in my program. The Bar 4 Angus bulls and heifer in this year's sale all have outstanding Algoma maternal influence in their pedigree. They have performed at every stage from birth to yearling and all have good dispositions. They are vaccinated, ultra-sounded for carcass traits, semen tested, and tested negative for BVD-PI. It is an amazing time to be in the cattle business, and I look forward to seeing you all at the sale. If you have any questions or need more information, please call, or message me at 541-810-8222. Thank you, Allen Hill

High-performing, calving-ease prospect, sired by the popular "Hometown" bull at Select Sires known for his calving ease and carcass traits. This bull is long bodied, clean made and can really cover some ground with his long stride. He should work on large heifers. Check out his WW, he should sire calves that perform in the yard and on the rail.

Virginia Tech Statesman - Sire of Lot 67.

Lot 67 is sired by "Statesman" who resides at Select Sires. "Statesman" sons have been very popular this sale season. They offer high growth, high heifer pregnancy, low pap, and great carcass value. This thick, moderate-framed bull comes from a high-end cow straight from the Buchanan program.

HAYES BULLS

First of, I would like to thank Bob and Kathleen for allowing me to be part of their sale and welcoming me into their family along with mentoring me from the beginning. K Heart Cattle Co. will have 3 bulls at this year's sale. All with the outstanding Algoma influence in their pedigree. All bulls have been vaccinated, have a negative BVD-PI test and passed semen test. If you have any questions or need more information, please call me Kody Hayes 541-401-1278.

K402 - This Jailbreak son is a caving ease top 4% with solid growth to follow. Not to be forgotten about top 2% for \$M and \$W with a negative PAP of -1.48. This bull is out of a young dam with a perfect udder.

Lot 70: K Heart GC Jailbreak K402

SANTOS ANGUS BULLS

We want to say thank you to the Buchanans for once again letting us be a part of their annual bull sale. It's always a pleasure to be asked to take part in their incredible sale. We all know that 2024 was a very dry summer again, so these calves came off light, but they took off since weaning time. We appreciate your interest in our bulls and for all your support at this sale for the past 20 years! We feel this is a very complete set of bulls.

This bull has been catching visitors' eyes at the ranch this fall. He's out of our herd bull that had an impressive 2nd calf crop. We will be keeping many sisters out of this sire group. He's a mod birth bull that you will want to keep heifers for your herd from. With a top 15% of breed for \$M @ +82. He's top 35% in 10 different EPDs.

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLinkSM programs: the Genetic Merit ScorecardSM and AngusVerifiedSM.

ANGUS LINK
**GENETIC
MERIT
SCORECARD**SM

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

**ANGUS
VERIFIED**SM

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

ANGUSLINKSM
VALUE ADDED PROGRAMS

ANGUSLINK.COM | 816-383-5100

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.

FASTER PROGRESS, GREATER RETURNS

Targeting the Brand™ identifies registered Angus bulls with the genetic potential to sire calves more likely to meet all 10 *Certified Angus Beef*® brand specifications.

Minimum Genetic Requirements

Marbling EPD (Marb)	+0.65
Grid Value (\$G)	+55.0
